Ohio House Rabbit Rescue Capital Campaign Payment Options

Ohio House Rabbit Rescue offers three payment options for recurring Capital Campaign pledges. Please select which option works best for you and indicate your choice on the Pledge Form under “Special Instructions”

Option 1: Automatic Bill Pay through your personal bank

Many banks offer an Automatic Bill Pay option, which can be coordinated through your online account. When you set up Auto Bill Pay, your bank will automatically send a check to Ohio House Rabbit Rescue each month for the amount that you indicate on the date that you choose. Because there are no fees associated with this option, OHRR will receive your full payment amount. **This is our preferred option.** Please contact your personal bank for more information, and make sure that you let them know this will be a recurring payment!

Option 2: Credit Card deductions

Ohio House Rabbit Rescue can also deduct your pledge from the credit card that you indicate. OHRR is charged a small processing fee for credit card deductions, but we would like to make your contribution easiest for you.

Option 3: Payments through PayPal or another secure website

With this option, Ohio House Rabbit Rescue will send you a monthly reminder via email to submit your pledge to Ohio House Rabbit Rescue. In the email we will offer two secure, online donation options, one from PayPal and one from another source. OHRR is charged a small processing fee to use these services.

Option 4: Recurring payment through PayPal

On our website we have a recurring payment option through PayPal called a “subscription”. You can select a \$25, \$50 or \$100 monthly payment. OHRR is charged a small fee for these services. If these payments work for you, please go to www.ohiohouserabbitrescue.org and click Subscribe.

Option 5: Invoice

Ohio House Rabbit Rescue will send you an invoice for your pledge amount when it is due. This option is best for individuals who prefer to pay with cash or check. Ohio House Rabbit Rescue will receive the full payment amount.

Just remember...

If you give \$25 each month, you will have given a total of \$600 over 2 years or \$900 over 3 years!
If you give \$50 each month, you will have given a total \$1200 over 2 years or \$1800 over 3 years!
If you give \$100 each month, you will have given a total of \$2,400 over 2 years or \$3,600 over 3 years!

Every contribution makes a difference in the lives of the bunnies!

Thank you for choosing to help Ohio House Rabbit Rescue achieve our goal of opening the first rescue facility exclusively for rabbits in Ohio. With your help, we will be able to provide care and shelter for more rescued and abandoned rabbits than ever before.

Share in the Dream: *Be the Voice for Abandoned Rabbits*

Ohio House Rabbit Rescue wants you to share in the dream of a Columbus community that respects and loves house rabbits, just like cats and dogs.

You can make it possible that OHRR's programming and services become a model for other rescue organizations in the state and throughout the country. Please join OHRR in our commitment to providing shelter and veterinary care and finding forever homes for abandoned rabbits. With your help, OHRR will have the ability to provide care for rabbits, educational programming and community outreach activities that promote responsible pet ownership. Please consider one of these giving levels. There is a level for everyone!

Therefore, our organization depends on the commitment of the community to benefit not only the lives of countless abandoned rabbits, but also their families. Together, we can make Ohio known for its compassion and generosity, a place that helps care for those animals that cannot care for themselves.
